The First Church

As Anyone Has Need (Acts 2:42-47; 1 Cor 12:4-11)—The early church operated on developing relationships in three different areas: with God, with the community of faith, and with the rest of the world. Their relationship building with the world outside their own faith community was very diverse, yet always aimed at the proclamation of the Gospel of Jesus and the transformation of God’s creation back to His original intent. And so their example reminds us that the local church was never designed to be a “sequestered” group, living in isolation from the world. Instead, the Church is God’s means of prophecy (delivering his message) and restoration (the Holy Spirit’s power at work in changing our world), the same today as it was in the beginning.

Focus Meeting—Get the latest stories and reports of UBC ministries at our quarterly Focus Meeting. UBC’s Focus! publication, featuring stories and reports of UBC ministries, is available in the Connection Corner, through the UBC Houston free mobile app or for download online. ▷ *Meeting, Sun, June 2, 7 pm, Chapel*

Vástago de Gracia is UBC’s Spanish-language worship service that meets in the Chapel during the 9:30 hour every Sunday! All are welcome to join.

Vástago de Gracia es el nuevo servicio de adoración en español que se reúne en la capilla a las 9:30 de la mañana los domingos. ¡Todos son bienvenidos!
