current **worship series**

The GOOD, the BAD & the UGLY

Annie Get Your Gun (Judges 4-5)—In our minds, most westerns have a broad shouldered, strong man at the center of their action. Yet when we look closer at so many of these movies, courageous woman are standing right next to them. Without the leading ladies of the western movies, we would have weaker stories. So too in Scripture, when we encounter women like Deborah and Jael, we see strong leaders who are courageous in their actions. Through their leadership, Israel is moved from oppression and marginalization to freedom and hope. Through faithful courage, God moves us beyond marginalization and into his magnificent work.
